# Make a sniper game in 5 minutes

1. Delete the cat.

2. Add an enemy character.

3. Name the character 'enemy'.

4. Add these commands to **the enemy**. Press space to try it out.

5. Click 'paint new sprite'.   6. Draw this.

7. Add these commands to the **gun sight** you just drew. Press space to try it.

8. Add these commands to the **gun sight** to win the game.

9. Try it out by pressing space. Can you improve the game?
